

DRAFT RESOLUTION

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ATASCADERO ADOPTING AMENDED FEES AND DEPOSITS TO OFFSET COSTS INCURRED IN PLANNING SERVICES AND A SCHEDULE OF FEES AND CHARGES FOR CITY SERVICES

WHEREAS, the City wishes to comply with both the letter and the spirit of Article XIII B of the California Constitution and limit the growth of taxes; and,

WHEREAS, the City of Atascadero provides various planning and building development services to the public including, but not limited to, processing applications, reviewing plans and maps, issuing permits and reviewing development agreements (the “Planning Services”); and,

WHEREAS, the City of Atascadero desires to establish a policy of recovering some portion of the costs reasonably borne of providing special services, including but not limited to park and recreation services, rental of city property, police and fire services, and other miscellaneous city services, of a voluntary or limited nature, such that general taxes are not diverted from general services of a broad nature and thereby utilized unfairly and inequitably such special services (“City Services”); and,

WHEREAS, City Council intends to collect various fees (the “Fees”) and, in certain cases, require advance deposit of the Fees, to offset the costs associated with providing the Planning Services and City Services; and,

WHEREAS, because some of the Fees are described in Government Code section 66014, (i) notice of the time and place of this meeting as well as a general description of the matter to be considered are to be mailed at least 14 days prior to the date of this meeting to those parties (if any) who have filed requests for such notification, and (ii) data indicating the amount of the estimated cost required to provide the Services and the resources anticipated to fund the Planning Services were made available to the public at least 10 days prior to the date of this meeting, all in accordance with Government Code section 66016; and,

WHEREAS, Government Code Section 66016 applies to fees authorized in Government Code sections 51287, 56383, 57004, 65104, 65456, 65863.7, 65909.5, 66013, 66014 and 66451.2, Health & Safety Code sections 17951, 19132.3 and 19852, Public Resources Code section 41901 and Public Utilities Code section 21671.5 consisting of primarily fees for zoning variances, zoning changes, use permits, building inspections, building permits, filing and processing applications and petitions filed with LAFCO, the processing of subdivision maps, tentative, final and parcel maps and planning services to be charged for development projects; and,

WHEREAS, Government Code Section 66018 applies to the adopting or increasing fees to which a specific statutory notice requirement does not apply; and

WHEREAS, pursuant to Government Code sections 66016 and 66018 the enactment or increase in any fees to be charged for services must be adopted by the City Council by ordinance or resolution, after providing notice and holding a public hearing; and,

WHEREAS, the City Council finds that the fee schedule detailed in Exhibit A attached hereto is consistent with the City of Atascadero General Plan; and,

WHEREAS, pursuant to Government Code sections 66016 and 66018, the data required to be made available to the public prior to increasing the amount of the fees by this resolution was made available for public review at least 10 days prior to the date of this meeting; and,

WHEREAS, pursuant to Government Code sections 66014, 66106, 66018 and 6062a, notice of a public hearing on the increase to the amount of fees was published in the Atascadero News twice, with at least five days intervening the two publications, commencing at least ten days prior to the date of this meeting; and,

WHEREAS, a duly noticed public hearing before the City Council was held on June 23, 2015, at which public testimony was received and duly considered on the proposed Planning Services and City Services Fees; and,

WHEREAS, the City Council has previously adopted Resolution No. 2014-028, as amended by Resolution 2015-013, setting forth such fees, and desires to amend and restate those resolutions in this one resolution to have all service fees contained in just one resolution, without rescinding said adoption; and,

WHEREAS, the amount of the Fees do not exceed the true cost of providing the Planning Services and City Services; and,

WHEREAS, the increase to the amount of the fees is not a “project” subject to the California Environmental Quality Act because it is a funding mechanism having no physical effect on the environment.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Atascadero:

Section 1. Recitals. The foregoing recitals are true and correct and the City Council so finds and determines.

Section 2. Establishment of the Fees. The Fees are hereby established in the amounts detailed on Exhibit A for the purpose of funding the cost of providing the Services.

Section 3. Collection of the Fees. The Fees levied pursuant to this resolution shall be paid to the City either at the time the Planning Service or City Service is requested or required or shall, in certain cases, be advanced to the City in the form of an advance deposit as further detailed on Exhibit A.

Section 4. Constitutionality. If any portion of this Resolution is declared invalid or unconstitutional then it is the intention of the City Council to have passed the entire Resolution and all its component parts, and all other sections of this Resolution shall remain in full force and effect.
