1. DISTRICT ANALYSIS

1.1 District

The City of Atascadero (the “City”) formed Community Facilities District No. 2005-1 (Public Services) (the “CFD 2005-1”) on May 24, 2005 and Community Facilities District No. 2005-1 (Public Services), Improvement Area 1 (the “CFD 2005-1, IA 1”) collectively (the “District”) on July 26, 2019, to mitigate the impact to the City of providing police services, fire protection and suppression services, as well as park services to new developments in various areas of the City. It is the City’s intention to annex property into the District as new developments are approved.

CFD 2005-1, IA 1 was annexed into the District due to new projects being implemented in Downtown Atascadero. City Council found that the authorized services of the District are necessary to meet increased demands placed upon the City as a result of the new developments. CFD 2005-1, IA 1 has its own Rate and Method of Apportionment to determine its annual tax.

The services to be funded by the District include: Police services and fire protection and suppression services of the City required to sustain the service delivery capability for emergency and non-emergency services to new growth areas of the City, including but not limited to, related facilities, equipment, vehicles, ambulances and paramedics, fire apparatus, services, supplies and personnel; and park services required for the operation and maintenance of public parks.

1.2 Levy

The Fiscal Year 2021/22 special tax levy for CFD 2005-1 consisted of 787 parcels for a total of \$661,651.34. The Fiscal Year 2021/22 special tax levy for CFD 2005-1, IA 1 consisted of 2 parcels for a total of \$20,257.86.
