Doomsday Skate School: Adult Roller Skate Skills & Safety

AGES: 18 & UP

This is a skate rink vibe class just for adults 18+ to practice skating or to learn. Adult classes offer rink inspired music, fun fitness, basic skating skills for those who need them, as well as fun beginner to intermediate dance skill builders. If you do not need lessons, but just need a place to roll, you can also use this space for practice. Our adult classes are meant to encourage body appreciation, fun fitness options, community building and networking for adults.

*** Sorry, no blades with back brakes allowed indoors - brakes must be removed. There will be a skate check at the door to protect floors. *Please note that skates must be properly maintained to skate at this facility. All skates will be inspected at the door before each class for: exposed metal bolts on trucks, toe stop stems, bent or broken lace eyelets, blade buckle clips will be taped. NO black rubber stops, or jam plugs allowed under any circumstances. Gear will also be inspected for rocks and/or dirt. Thank you for your cooperation in helping protect our floor. Email us for skate, gear or wheel questions at doomsdayskate@gmail.com *Rental skate sizes w5-w15 available upon Sk8 Reservation on doomsdayskate.com*

Doomsday Skate School: Adult Roller Fitness & Flow

AGES: 18 & UP

Roller Fit & Flow skaters roll to a low impact cardio, roller dance and strength training routine in a no pressure setting. Using styles and moves from speed skating, rhythm, street dancing, artistic roller dancing with upbeat music and high energy vibes. All levels are welcome to attend, but there will not be a formal skills lesson during this class. We will work with everyone to ensure fun at all levels. It is suggested that you take our Basic Skills and Safety class first before joining this class.

HOLIDAY MAGIC

CHARLES PADDOCK ZOO

December 21st, 2024 • 10am to 1pm

Celebrate the season with YOUR FRIENDS at the ZOO

The animals will be receiving holiday gifts that have been crafted with care by the zookeepers and some very special elves. Our sponsors have also made it possible to buy exclusively made toys and enrichment items for the animals. So, watch the animals rip, claw and tear open their presents. Some of them may even eat their gifts! Spend the day with us and do some holiday shopping in the Gift Shop, make a craft to take home and check in to see if Santa was able to stop in for an early visit!

Dog Obedience

Instructor: Karen Clanin (805) 466-3775 or kclanin@sbcglobal.net

Karen Clanin has been instructing classes at all levels since 1969 and started instructing for the City of Atascadero in 1979. The Beginning Dog Obedience class will cover sit-stand-down, walking on a leash without pulling, come when called, sit & down stay. Karen's methods are mostly positive reinforcement, making the learning fun for the owner as well as the dog..

For the 1st class, bring your dog on the collar you have and the leash you have (no harnesses please). Proper equipment will be discussed the first class. Also, bring a smelly, tasty, easy to swallow training treat. Karen suggests keeping the treats in a fanny pack, so they are easy to get to.

A copy of your dog's immunization record, available from your vet, must be brought to the first class for Karen to keep. Class is scheduled for 1 hour but may run over slightly so please allow the time. This class is not for aggressive dogs, if you have a question about this contact Karen and she may meet you privately for evaluation. Please no wolf or wolf-hybrids in class..

NOTE: Class will be held at Karen's facility. You must contact Karen prior to the 1st class for directions at kclanin@sbcglobal.net

Thursday, September 26 - 10:30 AM to 11:30 AM

Thursday, October 24 - 10:30 AM to 11:30 AM

Join us for a storybook adventure at the Zoo! Listen and learn as we bring animal-themed stories to life while we explore the world around us. You and your child will meet an animal up close and enjoy crafts and games. The stories and activities will be geared for ages 1-4 years, but families are welcome. All children must be accompanied by an adult and pre-registration is required. Registration does not include zoo admission.

Traveling Zoofari

Our education specialists bring the zoo to a school, club, senior center, library, or other public venue. Zoo ambassador animals and interesting artifacts bring learning to life. Each program is tailored to the age of the audience and programs can be custom designed to fit the curriculum. Email zooeducation@atascadero.org for schedule availability and pricing.

Have a Wild Party at the Zoo

Celebrate your special day at the zoo! There are several package options to choose from to help make your day memorable. All packages include rental of the Zoo Garden Event Center for two hours, tables, chairs, and eco-friendly cups, plates, and utensils. Email zooeducation@atascadero.org for schedule availability and pricing.

Zoo Presentations

Bring your group to the zoo for a special presentation to learn about and meet some incredible ambassador animals. Email zooeducation@atascadero.org for schedule availability and pricing.

The City of Atascadero has the only Central Coast Indoor Skate/Scooter Park Facility, located at 5493 Traffic Way. The park is staffed and open to the public. The inside 8,000 sq.ft. wood construction consists of a 4 ft. bowl with a spine, multi-tiered staging over the stairs and banks, double mini ramp with spine and a pyramid area. The kids can hang out in the lounge area and there are concessions for sale. The outdoor park consists of Skatewave modular equipment: quarter pipes, a pyramid, grind boxes and ledges, banks and benches. All participants must have a signed waiver form prior to park entry and certified helmets with straps are required. Recommended to bring your own helmet or you can rent a helmet for \$2, a skateboard for \$3 or a scooter for \$5. No folding scooters.

A-Town Park is available for supervised private parties Fridays, 6:00-8:00 pm, Saturdays, 10 am-12 pm or 6:00-8:00 pm & Sundays, 10 am-12 pm, for \$150.

“Faces of Freedom” VETERANS MEMORIAL

Located near the Atascadero Lake Park, the construction of the beautiful “Faces of Freedom” Veterans Memorial was initiated by the Atascadero Veterans Memorial Foundation. A 501-C3 Non Profit Organization, the AVMF was founded specifically to design and to build a World Class Veterans Memorial here on the California Central Coast with a completed value of nearly \$1,000,000. Built to honor all of America’s Veterans, the Memorial has three unique components: Hero’s Wall, the “Faces of Freedom” Statue, and “The Pathway to Freedom.”

The Hero’s Wall specifically honors over 231 San Luis Obispo County Veterans who have paid the ultimate price with their selfless service and sacrifice to our nation. The “Faces of Freedom” Statue represents an artistic time line that honors our nations’ military heroes from WWI to the present. The final component is “The Pathway to Freedom” a 20,000+ engraved brick pathway that leads to and embraces the Veterans Memorial. The Pathway’s purpose is to provide a place to honor both Veterans and Active Military in two ways: First of all, bricks may be engraved with the name of someone who currently serves or has served this great Nation; Second, it gives those who have not served an opportunity to show their support for our Veterans through a family or business brick. These engraved brick pavers are still available and can be reserved and installed for a \$150 donation to the Memorial Foundation.

Anyone interested in reserving an engraved paver is invited to use the order form below or to go to our website at: www.FacesofFreedomMemorial.org For more information call (805) 461-3360.

ZOO GARDEN EVENT CENTER

Nestled next to the Charles Paddock Zoo, in the beautiful Atascadero Lake Park, the Zoo Garden Event Center provides the perfect setting for a variety of events. Whatever the special occasion, from a wedding or rehearsal dinner to a monthly meeting or special birthday celebration, this event location provides a fantastic option!

Atascadero's Sunken Gardens and the entire downtown will be transformed into a magical snowy paradise! 70 Tons of snow will create a massive snow slide (brought to you by Kiwanis of Atascadero), and two large snow pile areas for the kids!

This year's snow-themed event includes bungee jumps, obstacle courses, community entertainment, Santa and Mrs. Claus, and more! If you are looking to check off a couple of items from your holiday shopping list, this event also offers shopping from our downtown merchants plus over 50 craft and food vendors. The event is free to enjoy, but don't forget to bring along your wallet for holiday shopping, great food, and all of the

extra fun that abounds! Be sure to invite your family and friends to this evening of holiday cheer! Call (805) 470-3360 for more information.

Minecraft Modding Quest: Units 1, 2 & 3

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Does your child enjoy Minecraft? Minecraft: Education Edition is built on top of the regular Minecraft game and includes additional features to teach kids coding and other STEM skills. In these carefully designed Minecraft modding classes, we cover a broad set of coding concepts. We start by introducing kids to the very basic concept of stacking commands together to make computers accomplish tasks - the fundamentals of coding. Kids will control agents to solve puzzles while interacting with different in-game characters. We will then move on to learn core coding concepts such as loop,

operations, conditional, events, function, variables, and more. As students become increasingly proficient in these coding skills, they will progress to constructing more intricate structures and even coding mini-games.

Our enjoyable online modding courses employ an inquiry-based approach, providing your children with ample opportunities not only to learn but also to create - an idea enriching experiences!

Tech requirements: You need a Windows or Mac Computer to take this class. Chromebook is very slow for running Minecraft. iPad is not supported. Students must have a laptop or desktop device with Zoom.

Scratch Ninja: Units 1 & 2

AGES: 7-11

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

In this fun and creative class, we introduce students to the wonderful world of coding using Scratch, a platform developed by MIT. Students will use colorful drag-and-drop blocks that are intuitive and easy to use to create stories, games, and animations. We cover essential coding concepts such as conditional, loop, variables, and much more, while also exploring the intriguing features Scratch offers such as motion, sensing, and clones. At Create and Learn, we believe that an essential goal for your child to learn coding is also to develop computational thinking, creativity, and critical thinking. With our project-and inquiry-based learning approach, our online classrooms are very interactive, as teachers lead kids through an enlightening process of creating, logic, and problem solving. Given our small class size, every child will enjoy a lot of personalized attention from their teacher. Regardless of what your child is excited about, they will surely find a way to express their interests and build their creativity with Scratch!

Tech requirements: Students must have a laptop or desktop device with Zoom, a Chrome browser and high internet connectivity.

Baby Kickers (Ages: 2 - 3.5 yrs)

Introduce your child to the best sport on the planet! With your participation and encouragement, the baby kickers will learn the fundamental steps necessary to understand the sport of soccer. Instructor guidance and movement skills are developed using engaging games and activities with appropriately sized soccer goals, providing an unforgettable experience like no other. Jersey included.

Level 1 (Ages: 4 - 5 yrs)

Learn fundamental movement skills and build overall motor skills. This course is designed for children to learn the fundamentals of soccer. The program focuses on technique using activities that subsequently help build onto each other, helping children to gradually increase their ability to learn basic soccer skills by also helping to establish a fun, nurturing atmosphere for the players.

Level 2 (Ages: 5 - 7 yrs)

This course will focus on dribbling, passing, shot technique and teamwork. Children will be introduced to fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Following our motto, Play, Learn and Grow, children will now be introduced to a variety of skills that will improve their overall motor skills to play the sport of soccer.

Level 3 (8 - 11 yrs)

The Level 3 course is aimed to improve large motor skills, spatial awareness, and teamwork. The instructor will focus on fitness, agility, drills become a bit more advanced and teach children how to perform under pressure. Drills are focused on more complex activities that include fast breaks and multiple defensive structures. Your child will now learn explosive plays, improve their footwork, and develop their range and accuracy of shooting on goal.
